Subject: NYSE Options: Permanent Penny Interval Program for Options

On **July 1, 2020**, NYSE American Options and NYSE Arca Options will be adopting the Penny Interval Program for Options (the “Program”) on a permanent basis, following the expiration of the Penny Pilot (the “Pilot”). The Program will initially apply only to the 363 most actively traded multiply listed options classes as determined by the OCC during the six month period ending on April 30, 2020 (the “Top 363”). To be eligible for the Top 363, an issue must either be in the Pilot or trading under \$200 at the close of June expiration.

The following issues are currently in the Pilot, but are not among the Top 363, and will not be included in the Program on July 1, 2020:
